I would like to be informed about joining any online CSIRO Reconciliation and NAIDOC events

I would like to be informed about CSIRO Indigenous STEM events

Optional Question: Rank your top 3 science areas.

1.	
2.	
3.	

Optional Question: Provide any further details of your science interests.

Consent

	Yes	No
You consent to your provided name, email and interests being recorded in the register of interest database		
You consent to being contacted by relevant CSIRO staff members given alignment to your interests		
You consent to your interests being collated with others so that a de-identified graph of interests can be developed and shared with relevant CSIRO groups to help stimulate potential opportunities		
You consent to CSIRO contacting you to renew your interests at approximately 3 yearly intervals		
You consent to your information remaining on the CSIRO database of registered interest indefinitely to help increase the chances of matching your interest to any future opportunities in the organisation		
You consent to being potentially contacted by CSIRO to assess if the register had any benefits and for you to provide any feedback		

Important points

Please read the key points about storage & use of the information

- ❖ Your consent needs to be received by answering the consent questions before it is added to the database register
- ❖ The information that you provide will be stored in the register of interest database under the management of key CSIRO Indigenous staff members
- ❖ The information will not be shared with any third parties outside the organisation
- ❖ You may not be contacted by a relevant CSIRO staff member
- ❖ You can be removed from the register at any time by emailing RegisterInterestScienceDomains@csiro.au
