

A Strategic Marine
Research Partnership
for the **Ningaloo Coast**

Invitation: Deep reef research presentation

BHP Billiton and CSIRO would like to invite you to the third Ningaloo Outlook presentation for 2016 in Exmouth.

The presentation will include an update on the deep reef research program over the first year of the project, and an overview of the activities planned for year two.

Research lead Russ Babcock will present an overview of the research and findings to-date, answer any questions you may have, and join you for a drink following the presentation.

Event date: Monday 15 August 2016

Time: Presentation 6pm
Meet the Scientists 6.30pm – 7.30pm

Location: Novotel Ningaloo

RSVP date: Friday 12 August 2016

RSVP to: ningaloo.outlook@csiro.au
